Georgia-Pacific Communication Papers

Spectrum® 30% Recycled Multi-Use - 20 lb. paper contains 30% post-consumer fiber, making it an excellent solution for those who choose recycled products for their business needs. Engineered to the same high quality standards as non-recycled papers, this performer is suited for copiers, laser printers and high volume imaging machines. Spectrum® 30% Recycled Multi-Use is an ideal option for general business printing when the benefit of using a recycled product is important.

Features

- 30% post-consumer recycled fiber
- Virtually jam-free performance
- Acid free for archivability
- SFI® certified - fiber sourcing
