Attention all print buyers:

Effective January 29th, 2007, the quick copy prices will be increasing at the BSI Print Shop. Due to increasing costs for paper, courier service, equipment leasing and other various factors, Badger State Industries has to increase our quick copy pricing to cover these added costs. Starting **January 29, 2007**, the cost of paper will be added to the running charges for quick copy. The cost of the paper is listed on the BSI paper price list located on our web site www.buybsi.com While this will increase the cost of your quick copy jobs, we will still remain your best value for quick copy prices. New prices still remain considerably below other quick copy centers. Copy click charges will remain the same as in the past. In addition, color copy prices that were lowered 6 months ago will remain the same, .35/ea. for a 8 _ x 11 copy, .48/ea. for a 11 x 17 copy. The only change will be the added cost of the paper used.

We would also like to thank you for your continued support of the BSI Print shop. As always, if you have questions or concerns about any of your print needs, feel free to call the shop at any time, or email the shop if needed. The direct number to the shop is 608-742-9136 and the e-mail address is dccciprinting@wisconsin.gov The contacts at this time are Dave Ditter / Shop Supervisor, and the Industries Specialists are Mike VanDusen, and Todd Blankenship. The sales staff in Madison remains the same, Noelle Everson at 608-240-5252 and Kara Jackson at 608-240-5211. Once again, thanks for your continued use of the shop over the years, and we look forward to working with you in the future.

Dave Ditter / Industries Supervisor
